- 95% of the responses to the Catesby consultation were against the proposed development.
- Land and Partners will probably present their results from the survey in November or December.
- It is probably not feasible for the Parish Council to contribute towards a "fighting fund" as it has not been budgeted. Funding will be investigated later.

Chair reported that he had been approached by Deanfield Homes, who had built Berry Close, who are looking for support from the Parish Council for a development opposite the village hall. In answer to a question from the member of the public regarding the Neighbourhood Plan, Cllr NL explained that it does carry some weight in the type of development that is planned but that it has to align

to the Bucks Plan, currently in the pipeline, which will eventually supersede the Vale of Aylesbury Plan.

6.5 Proposed Changes to National Planning Policy Framework (NPPF)

It was noted that Bucks Council have responded to the NPPF consultation.

7 **EWELEME SITES**
